

Burette Clamp

Main Features :

- r Adjustable clamps for 2 burettes, with central wingnut screw to allow height adjustment.
- r Durable - Made of ABS plastic with PVC coated jaw.
- r The ingenious design enables complete visibility of the burette's scale while being held vertically.
- r Works perfectly well with PSE Retord Stand which forms a perfect right angle (90°) for excellent accuracy.
- r **One Year Warranty against breakage. Exchange 1 for 1**
